

X-DRILL CORE VALUES

Safety

The Safety and health of X-Drill employees, clients and all others involved in our operations is our greatest concern and responsibility. This is closely followed by the care and protection of the environment, X-Drill and client assets.

Ethics

X-Drill will conduct its business professionally and with the highest order of ethics. This will manifest a high confidence level from both employees and clients.

Results

Continuous improvement of X-Drill's operations is the key for X-Drill to stay competitive in today's dynamic market. We will stay committed to deliver innovative fit for purpose solutions to our client's challenges.

Vision

Every decision made at X-Drill will be made to ensure long term growth of our X-Drill employees and our clients.

Inspiration

X-Drill is founded on the fundamental ideal that proper motivation, enthusiasm and a sound management philosophy will create a successful operational environment at X-Drill.

Commitment

This is X-Drill's trait of sincere and steadfast certainty of purpose.

Excellence (by choice)

Every job is a self-portrait of the person or team that did it. The quest for excellence reflects X-Drill's desire to be greater today than we were yesterday.
